Emitte Liquid Candles ...the difference is clear!

Exclusively from Broughton's is the "CLEAR DIFFERENCE" program.

If you are using any other than Emitte oils, we will exchange your Nylon candle shells at **NO CHARGE** to "Emitte Candelas" (the easy to use, no mess oil shells).

These liquid candle inserts are the "clear" choice for your church as you will never be guessing again. The see through canister allows for total vision to your oil use and you'll never run dry again.

Emitte Candelas

Candela shells are constructed of the highest grade materials to simulate the soft ivory beeswax colour. (Brass followers not included)
