## WREATH OF HOPE AND ANTICIPATION

Early Christian traditions established the use of the Advent wreath and Advent candles in anticipation of the birth of our Lord. The circular Advent wreath represents the eternity of the blessed Trinity, without beginning or end. This graceful flowing rendition, with its 34" ring will enhance any worship area, while the dramatic angled presentation gives more visibility to the congregation.

## EXTRA EFFORT, EXCEPTIONAL RESULTS

You might notice that we selectively color only the outside of our Advent candles. This is because we hand-dip each one of our candles in a fine layer of premium pigments – a process known as over-dipping. Unlike the additives in dyed wax that can fade over time, our over-dipped pigments retain their vibrant colors and yield brighter, even-burning flames throughout the Advent season. We think the extra effort makes for exceptional results.
