Tip for Best Measuring Results:

- Your clothing is always custom-tailored to your individual measurements.
- You are welcome to provide additional comments and requests along with your measurements submissions (example - loose-fitting).
- When measuring, please put on the type of clothing usually worn under the garments orders.
- NOTE: Do NOT measure the garments yourself!
- NOTE: Do NOT take your measurements by yourself!
- You may also consider having your measurements taken but a professional tailor locally. However, do ask the professional to follow the Liturgix Measurements Chart instructions.
- For your convenience, all measurements are kept on file.
